

CHILDS Advises Travel Nurse across America in its Recapitalization by Gridiron Capital

Atlanta, GA – May 26, 2016 – CHILDS Advisory Partners (“CHILDS”) served as the exclusive financial advisor to Travel Nurse across America (“TNAA” or “Company”), a leading independent travel nurse staffing firm, in its recapitalization by Gridiron Capital.

Based in North Little Rock, AR, TNAA is a leading independent healthcare staffing firm focused exclusively on providing travel nurses to hospitals and healthcare facilities nationwide. Since 1999, TNAA’s growth has been guided by the Company’s mission to place talented caregivers in jobs they love through an honest and transparent process with unmatched customer service. The Company’s proprietary technology platform, business processes, and tenured team facilitate an efficient matching process that leads to higher-quality matches and placements for both healthcare facility clients and TNAA’s travelling nurses. TNAA’s industry leading nurse retention rates and intense focus on quality assurance help produce high-quality patient outcomes and experiences for its customers.

Mr. Gene Scott, CEO of TNAA stated, “We are proud of the company we have built, and are excited to partner with Gridiron Capital as we enter our next phase of growth. We were immediately captured by Gridiron’s partnership approach. Gridiron’s deep experience in human capital services investing, operational approach, and valuable relationships and resources will be instrumental to accelerating Travel Nurse across America’s growth trajectory. We are appreciative of the CHILDS team and the work they did to identify the right partner for TNAA.”

“It was a pleasure working with such a strong management team that had a unique operating mindset, and we are pleased that they have partnered with Gridiron. We look forward to maintaining our relationship with the Company and following their continued growth,” said Cooper Mills, Managing Director at CHILDS Advisory Partners.
