

Live! at the Battery Atlanta [RED Parking Garage]

Parking Instructions:

In the RED Parking Garage, park as closely to the third floor as possible as it is ground level with Live! at the Battery.

Once you walk out of the Garage, make a right as if you are walking towards the stadium.

You will see a large water fountain on your left hand side.

Live! at the Battery is located just past the fountain, directly in front of the Right Field Gate entrance to SunTrust Park.
